NATIONAL ITALIAN AMERICAN FOUNDATION GALA 2024

Mico Ferraro with Pato Molucci and Massimo Sommacampagna

A *lusingo* group of philanthropic and community leaders gathered at the Arizona Biltmore for the National Italian American Foundation Gala. Cocktails and *bruschetta* were passed on the Spire lawn at dusk. Then guests made their way into the stately ballroom for a three-course Italian dinner which was selected by renowned chef Joey Maggione. Everybody *ossessionò!* Several community leaders were honored as well. They included: Paul Ferraro, Carla Corradi, Go Ono

and Sal Di Cicco, for their tremendous efforts in the culinary and philanthropic worlds. Clarissa Burt served as the host of the evening. Afterwards guests moved and grooved to the sounds of Coach Big Band. The proceeds from the evening served to benefit Boys Hope and Girls Hope and SARC. It was brilliant! Carolyn Ross stole the night in a stunning loaded gown.
