ABOUT NIAF PROGRAMS

THE AMBASSADOR PETER F. SECCHIA VOYAGE OF DISCOVERY

An all-expenses paid, life-changing trip to Italy for young Italian American adults between the ages of 18 and 23. The trip fosters friendships and memories of a lifetime, and in doing so transforms the future of the Italian American community.

Founded in 2000, by the generous financial support of Ambassador Peter F. Secchia, the Voyage of Discovery aims to strengthen the Italian American identity, the Italian American community and connection with Italy and its culture and people.

Our mission is to give young Italian American adults around the country, especially the less connected, the opportunity to visit Italy on an educational trip.

SCHOLARSHIPS & GRANTS

Thanks to the generosity of the Italian American community, the National Italian American Foundation has awarded over \$10,000,000 in scholarships since its founding.

NIAF administers nearly 200 scholarships annually, ranging in value from \$2,500 to \$12,000 to Italian American students studying a wide variety of subjects.

NIAF's mission is to promote and protect the Italian heritage. To support this overarching mission, NIAF's goal is to play an active role in the sponsorship of Italian and Italian American related projects and events through the Foundation's Grants and Sponsorship Program.

BRIDGE TO ITALY

NIAF reinforces the cultural and political ties that bind the United States and Italy.

Over the years, NIAF also brings together Italian companies with business professionals at business roundtables to promote Italian business and culture.

NIAF has worked extensively to promote some of Italy's most unique and rich regions. By 2013, this effort manifested into an official Foundation program: the NIAF Region of Honor. This program's profound impact provides enormous visibility and is undoubtedly one of NIAF's signature works in strengthening the bond between Italy and the United States.

The National Italian American Foundation (NIAF) is a 501 c(3) non-profit organization with its headquarters in Washington, D.C. NIAF is dedicated to celebrate and advance the inspiring achievements and uplifting values of the Italian culture and presence in America and to strengthen and empower ties between the United States and Italy.

NIAF is also the voice for Italian Americans in Washington, D.C. and works closely with the Italian American Congressional Delegation and the White House. NIAF's mission includes advancing United States — Italy business, political, and cultural relations, and has a business council that promotes networking with corporate leaders.
